Re Dallas letter to Bureau dated 2/19/64.

A search ~~OF~~ the indices of the NYO reflects no references identifiable with FERNAN GOICOECHEA.

On 2/27/64, Mrs. B. CHESNICK, Clerk, Renting Office, Parkwest Village, 372 Central Park West, NYC, advised SA JAMES W. STEVENSON that her records reflect that Mr. and Mrs. FERNAN GOICOECHEA resided in apartment 4K, 392 Central Parkway, in the Park West Village housing development from February, 1961, to August, 1963, when they moved to Texas. The records reflected that he was a student and that his wife, ANNA MARIA was employed by the Bergdorf Goodman Company. He was employed part time by the W. and J. Sloane Company, NYC.

On 3/4/64, Mr. P. CISCO, Building Manager, 47 East 87th Street, NYC, advised SA STEVENSON that that building is a cooperative type apartment building. His records do not reflect a tenant named GOICOECHEA ever having lived there.

On 3/10/64, Mr. F. SECCIA, Registrar, RCA Institute, 350 West 4th Street, NYC, made available the records pertaining to the attendance of FERNAN GOICOECHEA at that Institute which reflected the following:

GOICOECHEA attended the RCA Institute from 5/24/60 through 10/5/60, when he terminated his attendance for financial reasons. He then reregistered on 2/26/63, and attended until 6/14/63.

The record further reflects by way of background that he attended the Watkinson School, 180 Bloomfield Avenue, Hartford, Connecticut, in 1959 and 1960, and the Verkinen, 2-Bureau (RM)

Dellarton and Lafayette Schools, from 1956 through 1959. These schools are all located in Pennsylvania and are classified as college preparatory schools.

For the information of Dallas, it would appear through the records at the RCA Institute that HERMAN GOICOCHEA had been sent to school in the US by Cuban parents prior to the advent of the Castro Government in 1959. Although no relevant indicates GOICOCHEA originally entered the US at NY on 5/21/60, as a student, the RCA Institute records show he had spent considerable time attending preparatory schools in the US from 1956 through 1959.

The following sources familiar with pre-electro matters in the NY area have been contacted and can furnish no information or knowledge of the subject:
